

# Life Group Study Guide

**Ministry Partners: Partnership by Sharing Resources**  
**Philippians 4:10-20**

**For the Week of March 17th, 2019**

1. What insight, principle, or observation from this weekend's message did you find to be the most helpful, eye-opening, or troubling?
2. What is the least you have had and what is the most you have had? In your housing situation? In what you drive? In your furniture?
3. Looking back on your life, when have you most struggled with being content? Why? How did you overcome what you were facing?
4. Paul said he learned the secret of having much and having little. What is the secret to being content in any circumstance? Why and how?
5. The Philippian church partnered with Paul from the beginning, sharing resources and supplying the needs of ministry. How can we as a church give generously? What are some ways we can give generously in the community?
6. Philippians 4:13 is an anthem for lots of Christians. What does it mean in light of verses 10-12?
7. How can we cling to Jesus as the standard of living, the one that strengthens us? What do we need to focus on?
8. Where does Paul say God will give us "riches"? What is Paul talking about? What "supplies" has God given us? What sacrificial giving can we do? What are some categories? (Hint: There are three that all start with the letter T).
9. Pray as a group to see what way you can be generous in the community. Pray for sensitivity to see the needs of others.
